This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

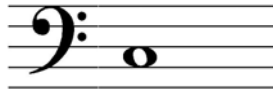

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

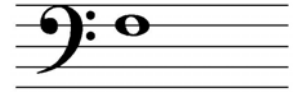

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

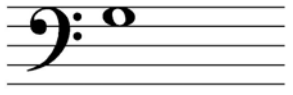

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

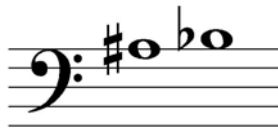

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

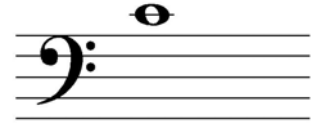

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

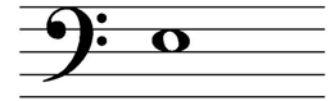

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

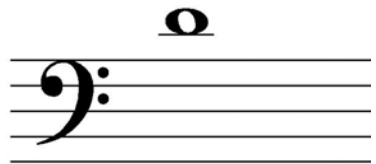

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

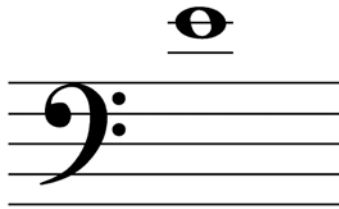

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

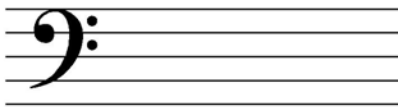

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

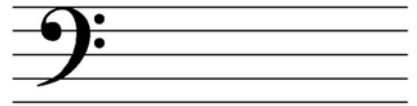

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?

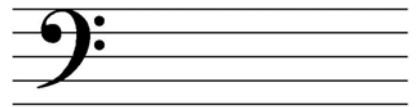

Day 1: _____

Day 2: _____

Day 3: _____

Day 4: _____

Day 5: _____

This note tends to be: sharp flat in tune

If necessary, what are some ways you can adjust the pitch of this note?
